## Charging Stations

### The Sanctuary

A universal multi-device charger compatible with over 1500 devices from more than 50 brands. The Sanctuary charges up to four devices simultaneously while the technical functionality is hidden under the false floor of a stylish catchall tray.

### Refresh

Compact in size and compatible with most of the new devices hitting the market today, it can charge two iPod/iPhones simultaneously while also charging a Blackberry.

## @ Rest for iPad

Built from precisely cut steel with a beautiful, durable powdercoat finish, @Rest for iPad supports your iPad in portrait or landscape orientation at angles ideal for the side table or countertop.

## OneLessDrop

With a OneLessDrop on your bedside table, never again will you find your phone's power cable on the floor. A great idea in your guest room, too.

## OneLessDesk

Comprised of OneLessDesk, OneLessStand, and OneLessfile, this minimalist office suite delivers a surprising level of comfort, functionality, and style. Heavy-duty, fully welded, steel construction.
